Our responsibility is to express a conclusion on these interim condensed financial statements based on our review

SCOPE OF REVIEW
We conducted our review in accordance with International Standard on Review Engagement 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" endorsed in the Kingdom of Saudi Arabia. A review of these interim condensed financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed financial statements are not presented fairly, in all material respects, in accordance with International Accounting Standard 34 - "Interim Financial Reporting" (IAS 34) and SAMA's guidance on accounting for Zakat and Income Tax.
